ATTENTION:

Flying times posted for the events are subject to change based on weather conditions. If the weather is good we can extend the flying (on either end) or if weather is bad, flying time may be shortened. Stay in touch with the official AMA CD of record, Jim DeTar (jrdetar@yahoo.com) or Mark Rzdca (wnyffs@rochester.rr.com) In addition to flexibility regarding flying time, the events flown are flexible as well. If sufficient flyers make official flights (per the current FAC rule book) to warrant a Kanone, the event will be included in the report.
