**NOW HEAR THIS:**

Flying times posted for the events are subject to change based on weather conditions. If the weather is good we can extend the flying (on either end) or if weather is bad, flying time may be shortened. Stay in touch with the official AMA CD of record, Jim DeTar ([jirdetar@yahoo.com](mailto:jirdetar@yahoo.com)) or Mark Rzdaca ([wnyffs@rochester.rr.com](mailto:wnyffs@rochester.rr.com))

In addition to flexibility regarding flying time, the events flown are flexible as well. If sufficient flyers make official flights (per the current FAC rule book) to warrant a Kanone, the event will be included in the report.

FAC Golden Age Combined event will be scored using "best three of six" flight times. As usual, this is subject to the CD's discretion based on field conditions, etc.

**Entrance & Registration Fee: \$10 for contest & casual flyers. ALL contest & casual flyers must register**

**Proof of AMA or MAAC membership required. National Warplane Museum membership encouraged.**
