Flying times posted for the events are subject to change based on weather conditions. If the weather is good we can extend the flying (on either end) or if weather is bad, flying time may be shortened. Stay in touch with the official AMA CD of record, Jim DeTar (jrdetar@yahoo.com) or Mark Rzdaca (wnyffs@rochester.rr.com)

In addition to flexibility regarding flying time, the events flown are flexible as well. If sufficient flyers make official flights to warrant a Kanone, the event will be included in the report.

Entrance & Registration Fee: \$10 for contest & casual flyers. Juniors fly free. ALL contest & casual flyers must register

Proof of AMA or MAAC membership (incl. juniors) required. National Warplane Museum membership encouraged.

All events will be flown to the 2018-2019 FAC Rules.

- Scale judging scores from previous Nats/Non Nats events will be used; contestants are encouraged to bring official results to reduce judging work load.
- Both Judged Scale events will be flown BEST of three flights.
- Dime Scale Polliwog entries are for Dime Scale Models making their maiden voyage. They must be flying for the first time; at least it should be the first time at the Pirate Challenge. Junior contestants are exempt; any legal Dime Scale model will be allowed to encourage their participation.
- Merchandise prizes will be awarded to First Place Winners in both Dime Scale events.
- Many Half Wake models can be flown in Old Time Rubber Fuselage. If there are enough modelers able and willing, we will fly Half Wake. Bring your models and let the CD know you would like to fly.
